### ANNOUNCEMENTS

#### BLOWING THE WHISTLE ON JUDGE ROSENBAUM

"Reparative & Preventive Injunctions"  
"Beef-Stew" SCANDAL author here letting ya know the 8th Cir. (#03-2643) reversed corrupt US Chief Judge James Rosenbaum's dismissal of the biggest 1st & 14th Amendment case EVER.

DOC Commissioner (2000) Sheryl Ramstad (her brother is US Congressman Jim Ramstad) punished me for exposing my false imprisonment with my government, without any penal interest/security concern involved.

The 1st and 14th Amendment rights are "Inextricably Meshed" with the author and recipient and I got nice responses for Governor Ventura, Secretary of State Kiffmeyer, Assist. Atty. Gen. Klumps, etc. and not any complaints, but disciplined because Ramstad had 25 prior years in the Judicial system and owed it to them to suppress me.

The entire government has a Prejudicial - Conflict of Interest.

I've been suppressed for 3 years now and wonder Why the US Dept. of Justice isn't responding?

I need to share my well articulated (corruption taught me articulating skills) Motion for "Reparative & Preventive Injunctions" that BLOW THE WHISTLE. TOOT-TOOT! They do not like their badness in writing and with some help I should be able to get corporate media attention.

My mail is stolen, and I'm on a hunger strike, but here's my address: CHRIS KRYCH, #123074, 5329 Osgood Ave. N., Stillwater, MN 55082. Editors, Activists are encouraged to contact: The Justice Xpress P.O. Box 1226 Occidental, CA 95465 for a copy of current Political Motion in Struggle!

Legal Notice: Assumed Name Minnesota Statute Chapter 333
